LOCATION

The expanding town of Huntingdon has a population of approximately 25,000 and lies 60 miles north of London, 16 miles north-west of Cambridge and 19 miles south of Peterborough. The A14 trunk road bypasses the town providing a dual carriageway route linking the east coast ports with the M11, A1 and M1/M6. The A1 lies 3 miles to the west of the town centre and there is a mainline railway station in Huntingdon with frequent services to London (St Pancras International).

Hemingford House is located within the St Peters Road Trading Estate which is home to a wide range of occupiers including Hotel Chocolate, FedEx, Steinhoff UK Beds, Myers Construction Products and Lil Packaging. The unit is located only a short distance from Huntingdon town centre and has good access to the A141 northern ring road which in turn provides convenient access to the A1(M) and A14 junction at Brampton Hut.
