Description

A two floored Edwardian warehouse conversion with terraces on an historic street in Old Street's cutting edge tech and fashion district, 60 Ironmonger's interior is radically designed by the visionaries at House of Grey and expertly curated for creative collaboration to thrive.

The makers and artisans who've furnished our interiors have responded to the natural and person centered themes of House of Grey's design aesthetic. With the emphasis on bespoke pieces and organic materials, they uphold the narrative that multisensory design really can

improve health.

In this workplace of the future, every detail has been meticulously thought out. The ambience of House of Grey's design aesthetic extends to the carefully sourced lighting and ironmongery that has been used throughout. Flexible meeting rooms powered by the latest technology are cooled by state of the art air conditioning. Clean air means a clear mind and the four outdoor terraces provide further wellness points.
