Situation

The development is situated along the busy A560 Stockport Road at the junction with Dowson Road and Apethorn Lane. Stockport Road connects to Bredbury and Junction 25 of the M60 to the south, Mottram and the A628 Woodhead Pass to the east and Dowson Road with Hyde town centre 1.5 miles to the north. 12,000 vehicles pass the development daily with the surrounding areas being privately owned detached and semi-detached housing.

In addition to this, the surrounding green space has been allocated for 440 new homes to be built, with a Planning application submitted in May 2025 due to be determined.

Works are expected to commence in 2027 with a 5-year delivery plan which will provide increased custom both during the 5-year delivery plan with construction workers and after with the increase in local residents.

Development

The development will provide a roadside scheme providing a convenience retail unit, gym, EV charging and car wash and 72 car spaces.

The investment comprises a modern steel framed former car showroom built in 2000, newly subdivided and repurposed to provide tailored single story retail space for Sainsburys, and with the installation of a new Mezzanine floor along with a modern two-story PureGym outlet.

There will be 4 fast charging Electric Vehicle spaces leased to Instavolt Limited, an agreement for Royal Mail Parcel Lockers and an agreement with PureGym to pay for the energy generated from the 132 solar panels installed on the roof and a car wash.

Planning

Planning Consent for change of use was granted subject to S 106 on 11th February 2026. Full details can be provided on request.
