Warehousing that Works.

High performance space for your business.

If you're looking for a high-performing, sustainable building that works as hard as you do, then look no further. Indurent 135, Nursling is a highly sustainable warehouse that will deliver benefit for your business, your people and the environment.

An ideal location close to the Port of Southampton.

Indurent 135, Nursling is prominently located within the thriving Nursling Industrial Estate, offering excellent connectivity to the Port of Southampton and convenient access to Junction 3 of the M27 motorway.

As the premier warehouse in the immediate area, Indurent 135, Nursling offers businesses a competitive edge through superior facilities and strategic positioning.

PV Panels generate approx 153,372 kWh per annum of electricity ≈ £47,545/year at current energy costs.*

Smart LED lighting helping you reduce energy consumption by up to 75%.

10% roof lights reduce the need for additional daytime lighting and provide a light, bright environment for your employees.

Targeting BREEAM Outstanding rating.

EPC A+ rating, this high-performance industrial space drives down energy costs and supports sustainable, net zero-ready operations.

*Potential to increase PV power output

Why choose Indurent 135, Nursling?

Strategically positioned near the Port of Southampton.

Positioned within a crucial industrial and logistics zone.

Located near the M27 - with easy access via J3.

15 minutes to central Southampton and 30 minutes to Portsmouth.
