Property

The property comprises the end unit of a terrace of 3 retail warehouses, with a glazed shop front running its full width, directly abutting a tarmac surfaced car park to the front. Servicing is available from either the front, or from a separate access to the side.

Internally, the property is laid out predominantly over the ground floor and with a mezzanine to the rear.

The cladding to the front of the building has recently been replaced and the cleared site adjacent is earmarked for redevelopment, with a Planning Application due to be submitted in the near future for the construction of a new drive thru unit.

The property would be suitable for a variety of retail or restaurant uses, in view of its high profile, very busy location on one of the busiest roads in Lincoln, large catchment and good mix of occupiers already represented within the scheme, including a Costa drive thru, Majestic Wine and Domino's.
