Bourton Eco Centre, Stow Road, Bourton-on-the-Water

Location

The site is located alongside and with access directly from the A429 Fosse Way, north of Bourton on the Water and south of Stow on the Wold.

The A429 Fosse Way is the primary transport route connecting Cirencester and Swindon to the East Midlands. The site is also located at the heart of the Cotswolds Area of Outstanding Natural Beauty being a major tourist and leisure destination.

Junction 15 of the M4 is approximately 33.5 miles south, Cheltenham is approximately 17 miles west, and Oxford is approximately 29.7 miles southeast

Description

Bourton Eco Centre is a new proposed roadside development with planning consent for an electric vehicle charging site, convenience store, coffee shop, and circa 40 bedroom budget hotel with conferencing facilities.

Phase 1 will aim to deliver 25% coverage and provision for electrical vehicle charging, following which Phase 2 will deliver the remaining 75% electrical charging provision.

Further opportunities may be available for a range of potential uses, subject to the necessary planning consent.

Planning

Planning application 18/01681/FUL. Further enquires should be made to the Local Planning Authority, Cotswolds District Council.

Terms

- Leasehold opportunities on terms to be agreed.
- A freehold sale of the site may be considered.

Rent/Price

Upon Application

Services

We have not tested any of the service installations and any occupier must satisfy themselves independently as to the state and condition of such items.

Legal Costs

Each party is to be responsible for their own legal costs incurred in the transaction.

Business Rates

To be assessed. Interested parties should make their own enquiries to the Local Billing Authority to ascertain the exact rates payable as a change in occupation may trigger an adjustment of the ratings assessment.
