ALTERNATIVE USES

The property has an F1 Use Class Order which permits the building to be used as a 'school, non-residential education and training centre, public hall, exhibition hall or museum as well as a place of worship.

However, we understand that there is a restrictive covenant in favour of the council on the property entered into in 1990 which restricts the use of the building for religious purposes. The vendors have not approached the council to request the removal of same, so for those interested in using the property for alternative uses we advise approaching the council directly to negotiate the removal of the covenant.

Subject to planning, the property would suit a range of alternative uses to include office, day nursery (E) or dance hall (Sui Generis).

BUSINESS RATES

As the property is a 'church' it is exempt from Business Rates and doesn't have a Rateable Value.

TENURE
